1 The oral judgment of the court was delivered by

2 Isaacs, JA:

3 The court has considered this matter. We are not
4 minded to give an adjournment for this application. The
5 intended appellant, as I indicated before, was absent during
6 his trial. He is absent now with no explanation other than
7 what was said to us from the Bar table. We are satisfied that
8 there is no merit in this application, as it is presently
9 constituted, and the application for an extension of time is
10 dismissed.
