

**COMMONWEALTH OF THE BAHAMAS
IN THE COURT OF APPEAL
PRACTICE DIRECTION NO. 1 OF 2015**

TRANSCRIPTS

Upon an appeal from a court or tribunal where the transcript exceeds 1,000 pages, the appellant or his Counsel is required to lodge in the Court of Appeal a document entitled a Transcript Index.

The Transcript Index should indicate precisely which pages of the transcript the appeal will be based upon. This does not relieve the appellant or his Counsel from including references to the transcript in his written submissions.

The Transcript Index should be lodged within seven (7) days of receipt of the transcript, whether electronic or otherwise.

The Honourable Mrs. Justice Anita Allen

President of the Court of Appeal
